Avis Alaska Welcomes Budget Alaska, Expanding Statewide Rental Car Service Combined company to operate as Avis and Budget Alaska beginning November 10th, 2026.

Alaska Rent A Car, Inc., the 100% employee-owned operator of Avis Alaska, is bringing Budget Alaska into its company. Starting November 10th, 2026, the combined business will operate as Alaska Rent A Car, Inc. and Avis Budget Alaska. It will be the largest rental car company in the state, with the largest service footprint.

Avis Alaska has helped people travel across Alaska for over 70 years. Adding Budget builds on that history. Travelers and residents will have more options and the same local commitment to customers and communities.

"Bringing Avis and Budget together lets us serve more Alaskans and visitors than ever before. Our employee owners know this state and our customers, and we're excited to combine our strengths with our new colleagues to build something even better."

Scott Grigsby, President.

Avis and Budget Alaska offers vehicle rentals, leasing, and car sales. Customers with existing reservations can expect no interruption and can check in at either Budget or Avis. Locations include:

- Anchorage Airport
- Fairbanks Airport
- Juneau Airport
- Kenai Airport

Alaska Rent A Car, Inc. is a 100% employee-owned company that has served Alaska for over 70 years. Doing business as Avis Budget Alaska, the company provides rentals, leasing, and car sales across the state.
